If you want a personal ministry...
you'll find this VERY exciting!

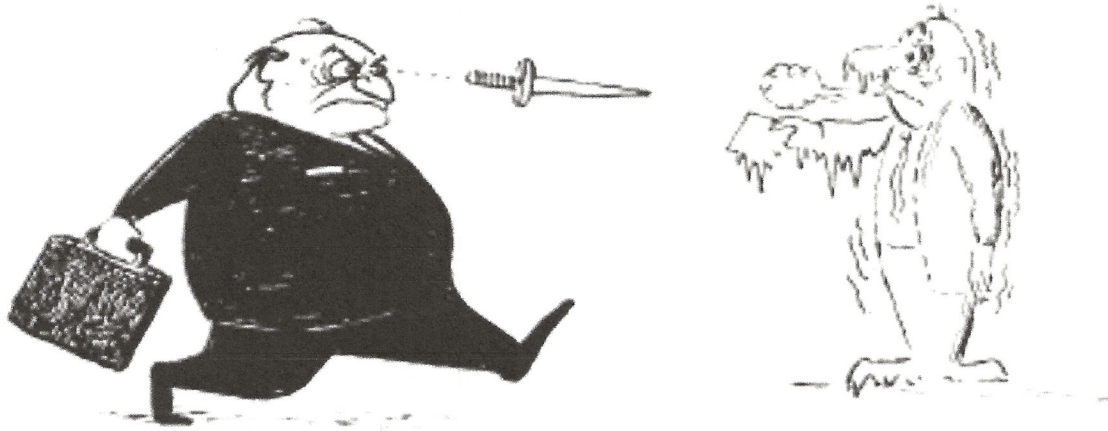

Page 2

Ever notice that squeamish feeling inside when
you tried to witness to certain people?

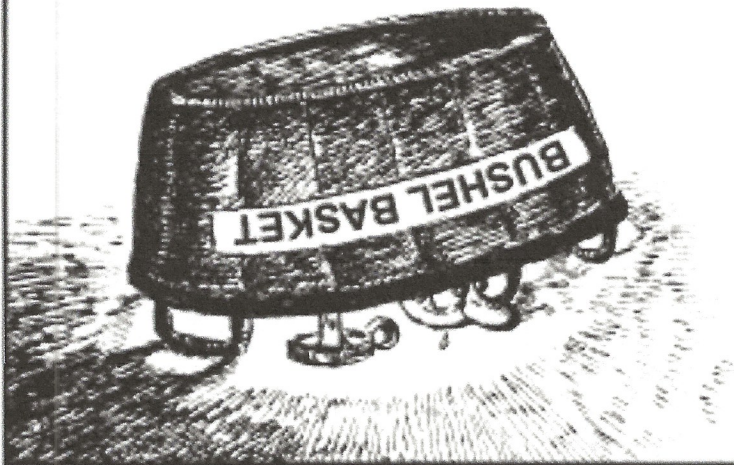

Page 3

If **YOU** are like 89% of Christians today,
you have **NEVER** passed out a Gospel tract!

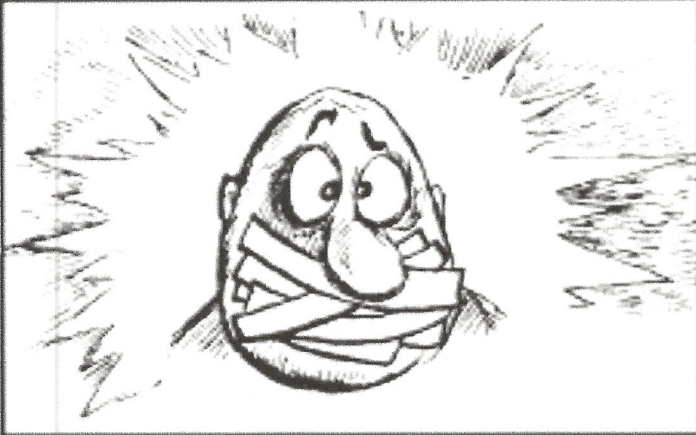

But if you have... you probably got an icy stare!

Let's face it...
Most of us are not a real witness to those we...

- ✓ Work with
- ✓ Buy from
- ✓ Sell to
- ✓ Visit with
- ✓ Live next door to
- ✓ Meet at the laundromat
- ✓ Meet at church

Beloved, if YOU can't talk to them...

How will they be reached?

Will they listen to the gospel on the radio?

BROTHER... HAVE YOU BEEN SAVED? GLICK!

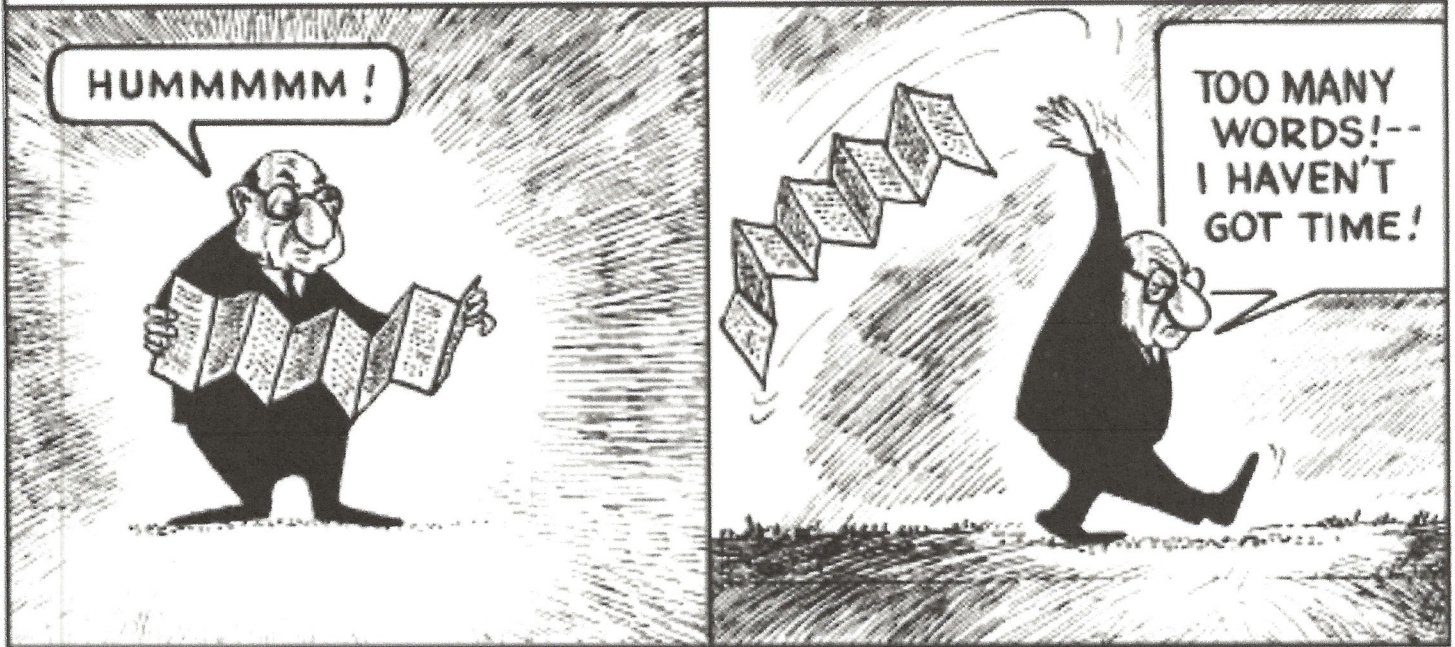

No!

Will they watch a Gospel program on TV?

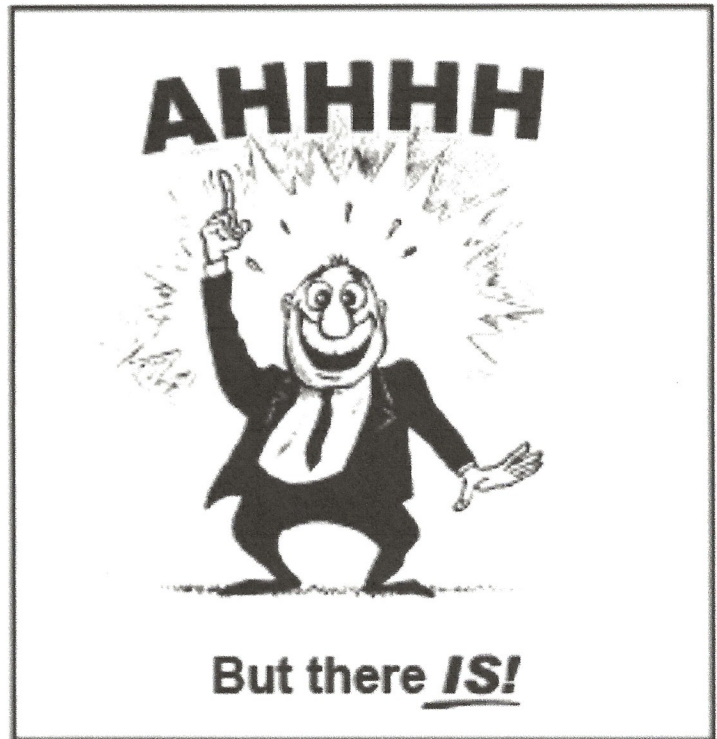

YOU GOTTA BE KIDDING!

What if they find a tract and start to read it?

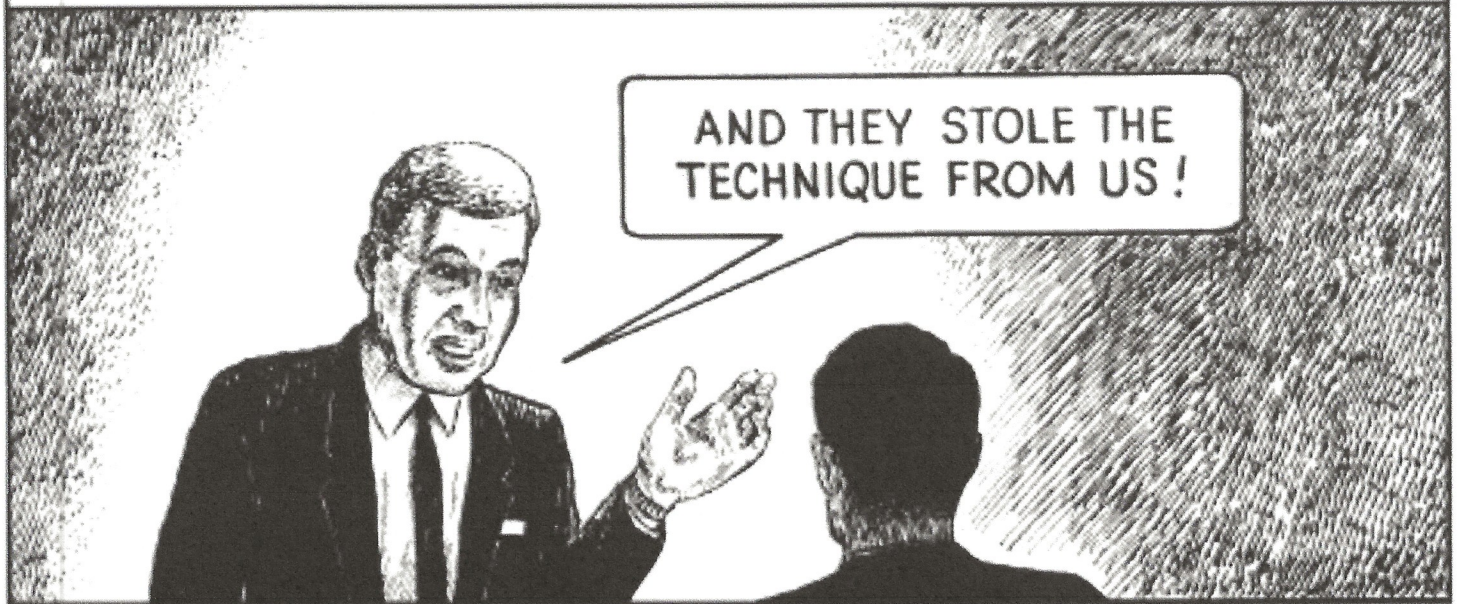

Page 8

It appears that there is no way to reach them.

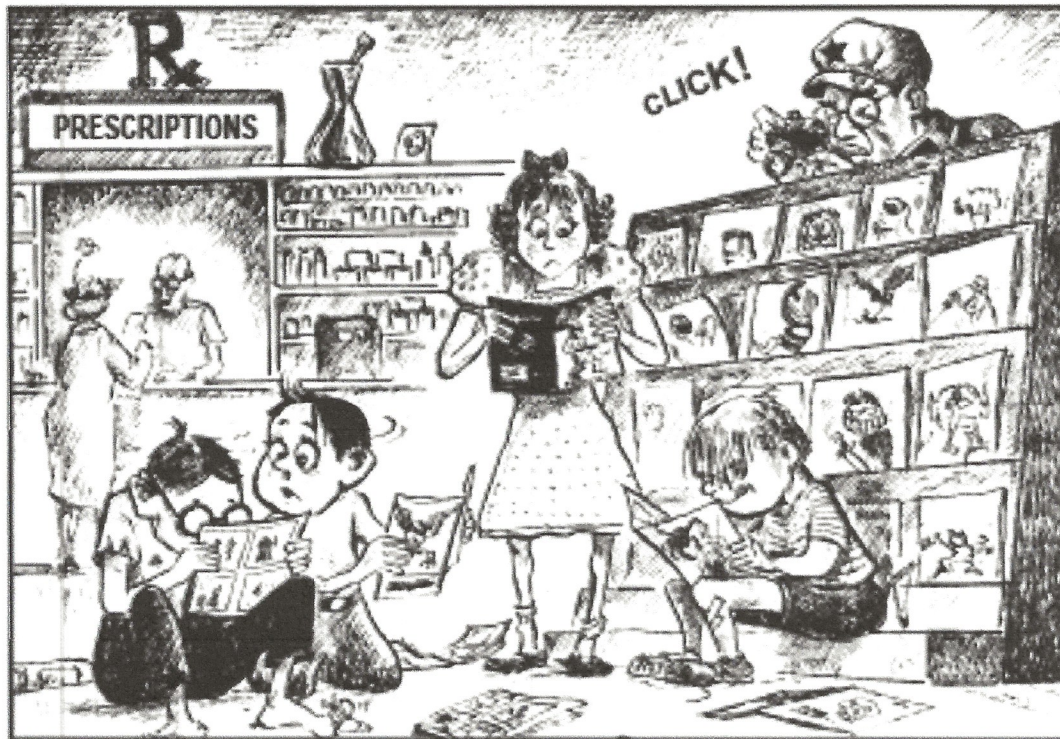

Page 9

A missionary told us that the Communists in China had developed a powerful way to reach the multitudes.

Page 10

Years ago their agents watched our children spend hours reading comic books.

Page 11

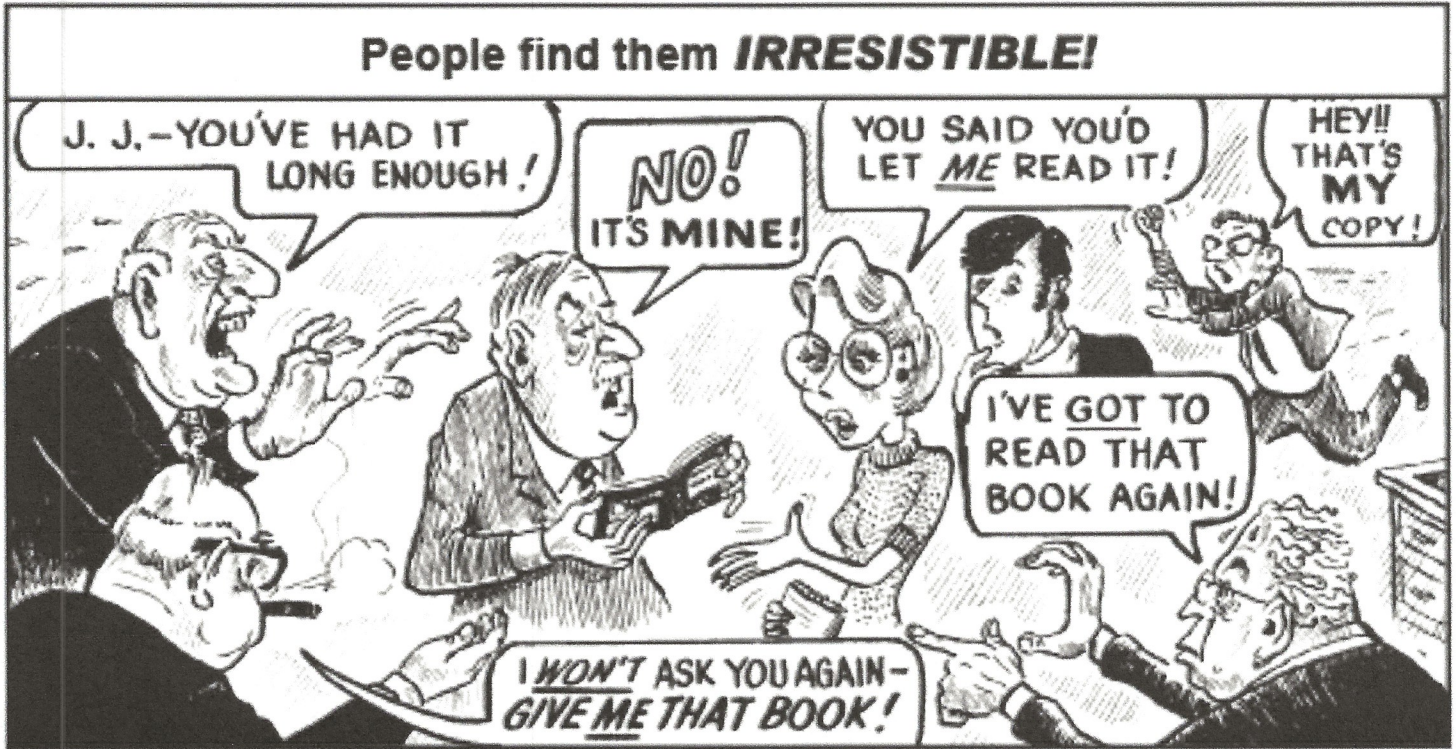

The communists spent millions of dollars printing their propaganda in a cartoon format.

The results were extremely successful.

Could illustrated Gospel tracts be equally successful in spreading God's Word?

Yes... and beyond all expectations

Page 14

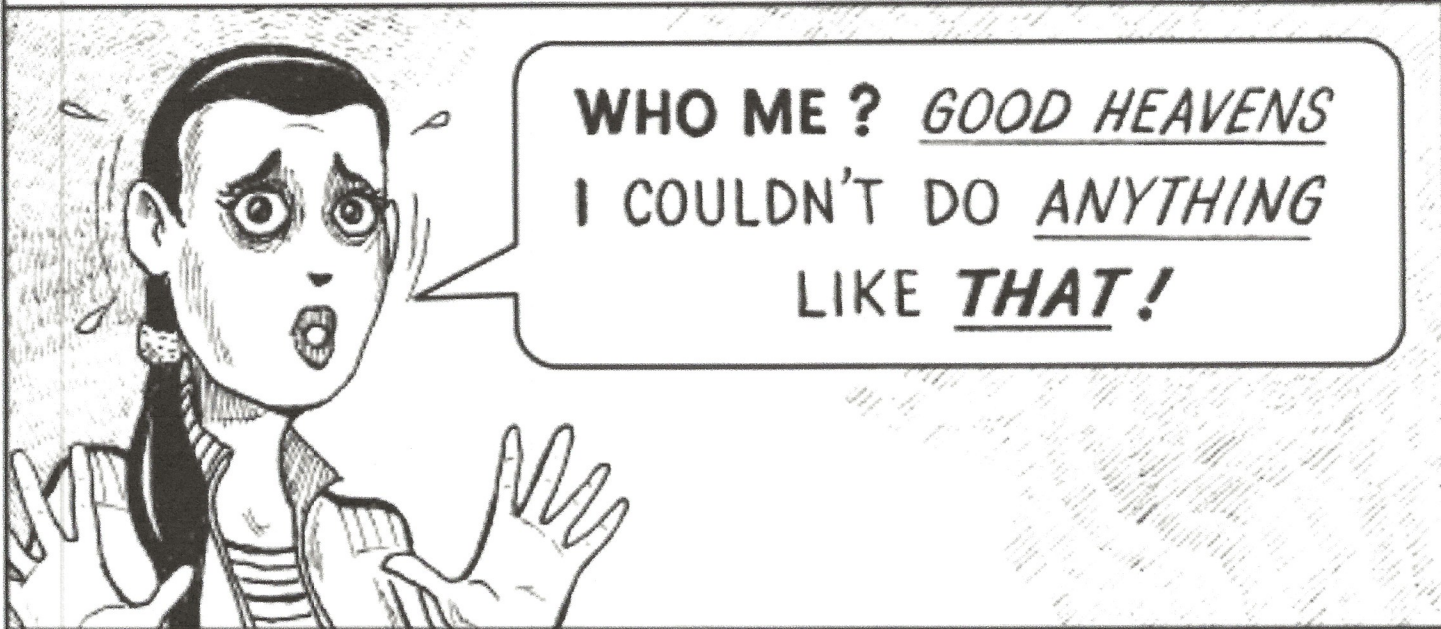

Over 140 million copies of this illustrated Gospel tract have been printed...

...in over 100 languages.

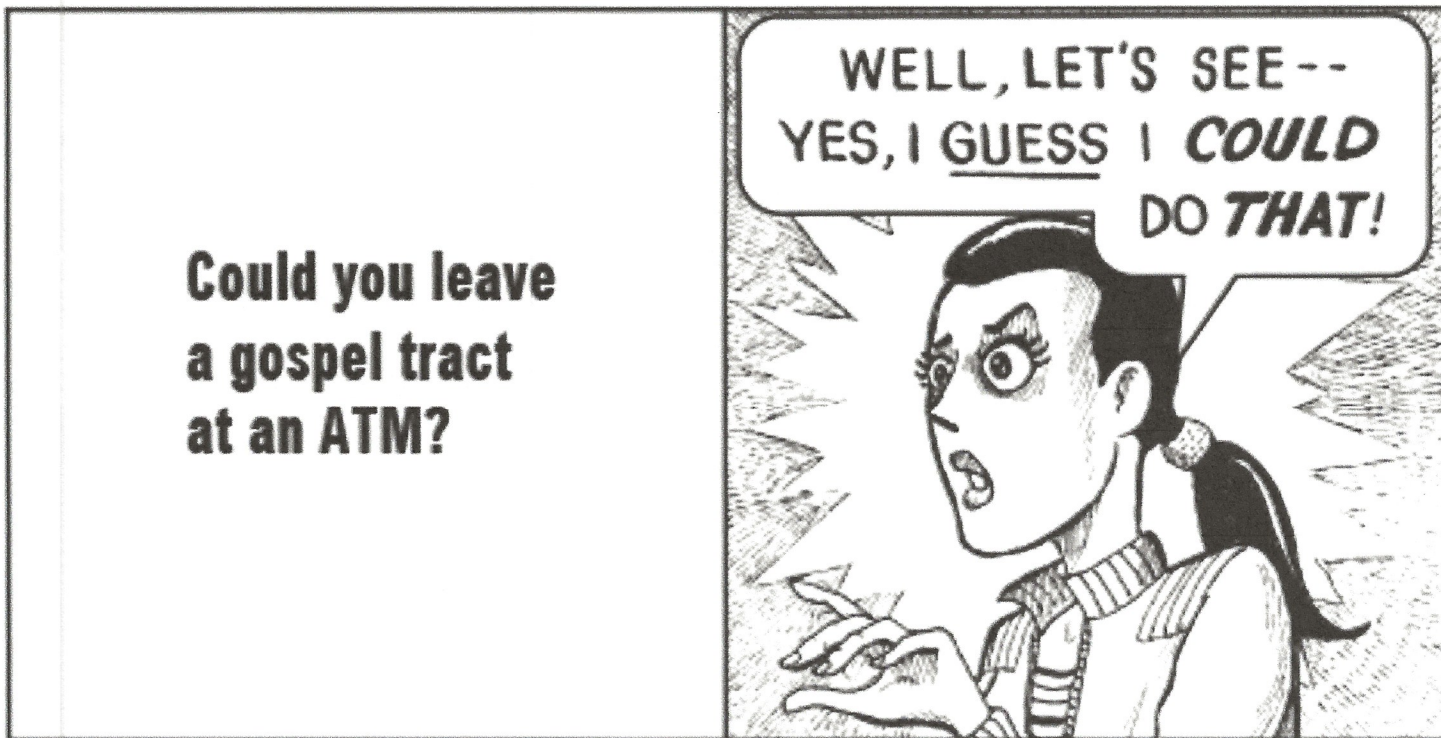

Nearly 100 other titles are currently available.

Page 15

EVEN YOU can really be a soul winner with illustrated tracts!
